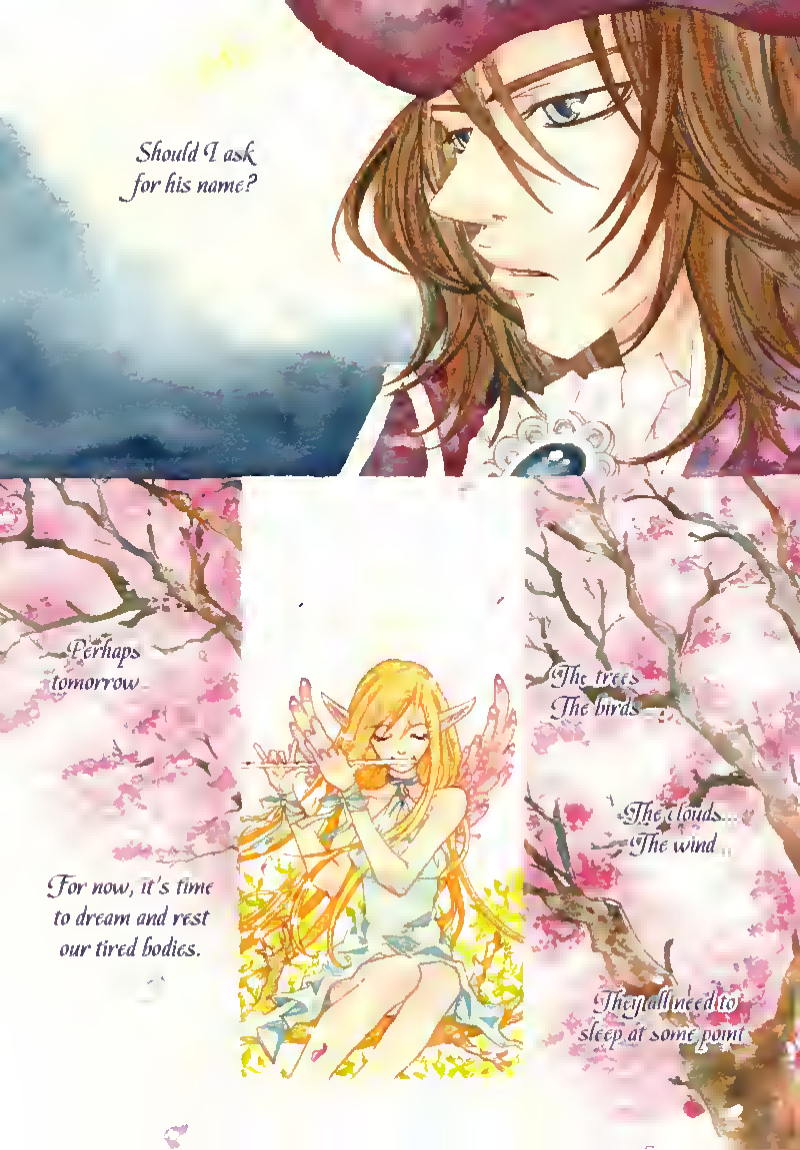
We've been playing hide-and-seek in the forest since we first met
He should be getting tired of it soon.



Should I ask for his name?
Perhaps tomorrow
The trees
The birds
The clouds...
The wind
For now, it's time to dream and rest our tired bodies.
They all need to sleep at some point

What's his name...?
Where does he live...?
I want to talk to him...
Should I ...
let myself be caught
just once?
Fluttering like a
Dream, this Story
has Come To
The End
